Product: Neuxpower NXPowerlite 6.x

Cert#	Request Type	CoN Type	Approval	Expiration
201416887	New	Enterprise	2/11/2014	2/11/2017
Mission Area	Domain	Functional Area	Category	
Business	Acquisition	Desktop Enhancements	Desktop	

Description:

NXPowerLite is a file compression application that has the capability to compress documents formatted in PDF, Microsoft Office and JPEG into a single attachment allowing for simple email transmission. The application integrates with MS applications, i.e. Word, Excel and PowerPoint to complete the file compression process.

The application will be installed and operate on an AGM Windows 7 workstation.

Facts:

CoN Link: https://portal.aschq.army.mil/apps/networthiness/_layouts/NetcomCON/rqstcon2.aspx?requestId=11981

Restrictions:

This Certificate of Networthiness is based on a trusted standardized platform, configured per FDCC. All patches and updates will be provided by the host network administrator (NEC or DECC) in accordance with all technical directives, mandates, and IAVM. This Certificate of Networthiness is no longer valid should the assessed configuration be significantly altered. Per Army Cyber Command guidance, all operating environment will implement HBSS capabilities. Upon expiration of this Certificate of Networthiness, this application must be reassessed to ensure it is still compliant with the GNEC architecture and is still networthy. Should this software version be upgraded prior to this expiration, the new version must be evaluated for networthiness.
